## *Planting Together*

Habari.( Hello) On behalf of the Imagine Network, Katalyst Ministries, and the future disciples of the Mattaw Children's Village, we would like to greet you in the name of our wonderful Liberator and Lord. We are so excited that you are considering how you can be a part of the incredible things that God has prepared in advance for the Mattaw Children's Village.

It is very important to us that you have as much information as you need before you commit to partnering with us in this work for a set time or even before you make a one time contribution to the project. If you have not looked over the Seed Packet that details in great length the process behind partnering with us, we would ask that you do so. We would be happy to send you one in the mail or you can log on to one of our ministry websites to view it. We want to make sure that we are diligent about answering any and all questions, so please feel free to contact us through email or by phone. Our contact information is found at the bottom of this page.

If you have already looked over the Seed Packet and feel that God is leading you to help us in a certain way, then we hope this packet gives you exactly what you need to get started. In this packet you will find a brief overview of needs and forms specifically for the following:

- Church or Organization Partnership for Construction
- Church or Organization Partnership for Missionaries
- Church or Organization Partnership for House Parents and Staff
- Church or Organization- One Time Gift

Once again we are so excited about the opportunity to plant with you and we look forward to hearing from you very soon.

## Overview of Needs

### PRAYER NEEDS

We are looking for committed prayer partners- please see the prayer needs outlined in our Seeds packet and sign up on the prayer partner page to join us in seeking God in every aspect of this ministry.

### FUNDING

These prices are all educated estimates based on an exchange rate in Kenya of 62 shillings per one U.S. dollar.

#### Construction

(Phase One)

Five home units (includes furnishing)	\$15,000 per unit
Umoja Family Meeting Area	\$10,000
Storage house	\$10,000
Water supply	\$10,000
Establish electricity	\$10,000

(Phase two)

Guest Huts for missionary teams or interns	\$10,000
Mattaw Christian Center	\$25,000
Medical clinic	\$15,000

#### Missionaries

Support for the salaries for our missionaries in Kenya.

Kimberly and Bud Huffman	\$3800 per month
--------------------------	------------------

#### Future missionaries

The Mattaw Children's Village only houses 72 of the 1.9 million orphans in Kenya, so there is much work to be done. We are praying that God will send us additional long term missionaries as Mattaw moves forward and as the Imagine Network increases its scope of influence in Kenya.

#### House Parents and Village Staff

Total for all staff and house parents per month	\$1300
---	--------

The Mattaw Children's Village will keep a small staff on the ground in the village for the purposes of security, supplies, crop management, and several other duties that are essential to the work of the village. We will also pay our house parents a small amount for the incredible sacrifice they are making in choosing to be the parents to 12 children.

#### Administration

We will have more solid figures as the budget comes together, but we estimate with printing, web fees, accounting, travel and other administrative cost this amount will be around \$9000 per year. In order to keep our integrity and to insure that everyone that partners financially with us is certain that their funds are being used in the manner in which they expected them to be, we must raise administration funds separately. These funds are much harder to raise but essential to the future of the work in Kenya.

#### Miscellaneous

There will be several other items and so forth as we move along that we may be looking for help with including such things as computers, medical supplies, play ground equipment, and so forth. We will update our needs list as we move forward so if you want to give in another way, we can facilitate something for the future.

### HOUSE PARENTS AND STAFF

(If you are making a one time gift please do so by using the One Time Gift form for churches)

We are so excited about the opportunity that we have to be a huge blessing to the orphaned children of Kenya, but none of it would be possible without our house parents. The house parents are the true heart of what we want to accomplish with the children of Mattaw. We can assure you that we have sought the Lord about who these couples should be and we feel absolutely certain that the couples we have in place currently are exactly who God intended to be there. We are also excited about the opportunity to be a blessing to the staff of the village and we recognize that without them, this project could not exist. You can be certain that any investment you make in the wonderful people who fill these roles is a direct investment in the safety, the well being, and the future of the children of Mattaw.

### PRAYER PLANTERS

In Isaiah 56:7 the Lord says through Isaiah that His house will be called a house of prayer for all nations. It is our prayer that through partners like you, the homes of the Mattaw Children's Village will always be called houses of prayer. James 5:16 tells us that the prayer of a righteous man is powerful and effective. We are looking for some committed prayer warriors to stand in the gap for the children of Mattaw, the missionaries, the house parents and every other person involved with this project. The enemy has had his way in most of the lives of the children that we will be rearing in the Mattaw Children's Village, but we are confident that through prayer God will transform their lives and create for Himself strong followers of King Jesus. We thank you in advance for the wonderful things God is going to accomplish because of your prayers. Please fill out this form so that we can have your information and keep you updated as to how to pray in the future.
